

SYNAPSE RESEARCH MANAGEMENT PARTNERS S.L.
INFORMATION NOTICE

To Whom It May Concern,

In the light of the current political and social environment in the Region of Catalonia and the city of Barcelona, Synapse Research Management Partners S.L. would like to officially state that a decision was made on September 29, 2017 to move the company's legal address to Madrid (C. Velázquez, 94, 1st floor, 28006). The purpose of this change is to guarantee a stable legal and economic framework within the European Union in order to safeguard the rights and interests of our partners, shareholders, customers and employees.

Although our current Barcelona site will continue to be our main centre of activity in the short term, the change is also seen as an opportunity for Synapse to grow, attract new talent and enlarge our partner and customer base, in the framework of an expansion strategy that allows Synapse to develop its activities throughout the EU, with the ultimate objective to better support research projects and services to deliver more, enhanced results for the benefit of the European citizens.

Yours sincerely,

Carlos Díaz
